1 Per Local Rule IA 6-1, this is the first request to the Court for an extension of Centex's
2 deadline to file a reply brief in support of its Motion to Dismiss the Counterclaim. The extension
3 is requested in order to provide sufficient time to research and brief the issues set forth in the
4 Counterclaim, and to allow time for client input. The requested extension is short, as the parties
5 are seeking to extend the deadline by one week, so it will not unduly delay or impact the case.
